

Aurora Expedition's

2024 EVENT SERIES

Small-Ship Expeditions

Welcome to the Aurora Expedition's 2024 event series! Join Aurora as they delve into our meticulously crafted itineraries, showcasing new purpose-built small expedition ships designed for unparalleled adventures. Discover the wonders of incredible destinations amidst Antarctica, the Arctic and beyond and embark on a journey tailored for exploration and awe-inspiring experiences. Whether you're in pursuit of iconic wildlife, breathtaking icy panoramas and landscapes, or immersive cultural encounters, Aurora provides a range of experiences tailored to offer a unique perspective in these remote and captivating parts of the world.

What to expect:

- Dive into specially curated itineraries, promising unparalleled adventures to Antarctica, the Arctic and Beyond
- Explore Aurora's comprehensive activity program to maximise your immersion in these remote destinations
- Gain valuable insights into both onboard and onshore adventures
- Take advantage of the exclusive saving* available only to those who attend
