150 YEARS OF ITALIAN EXPERTISE

With nearly 150 years of Italian expertise, Barilla is world renowned for the excellence of its food products ranging from pasta to sauce to baked goods.

At the heart of Barilla is **Academia Barilla**, a gastronomic center of expertise in Parma, Italy, focused on amplifying the benefits of the Mediterranean lifestyle and Italian cuisine. The chefs of Academia Barilla offer classes for professionals and foodies alike, creating an atmosphere made to cultivate curiosity and a passion for pasta.

Every culture can interpret pasta in its own way, which is why Atlas Ocean Voyages is excited to partner with Barilla to enhance the onboard culinary experience by bringing renowned Academia Barilla chefs to select Atlas expeditions.
